Description

Tuscany on the Road is a tour operator specializing in incoming tourism in Tuscany, offering customized and innovative projects for holidays, with particular attention to wine & food. Thanks to the excellent knowledge of the area of where the company resides, the proposed solutions, packages, tours and all organized tourism products are of high quality, while maintaining competitive prices. The fact that our residence is in the heart of Tuscany within the Province of Siena, offers the benefit of being able to act in minimal time, both for the organization of custom packages and in respect to the fulfillment of quality standards. The Province of Siena has always been known for its excellence in terms of gastronomy, but above all it is the land that provides the world's most famous Tuscan wines: Brunello di Montalcino, Nobile di Montepulciano, and Chianti. In addition, the Tuscan cuisine has always been known and appreciated for its typical products (pecorino cheese, Cinta Senese, Chianina meat etc.), and traditional dishes, prepared according to traditional recipes remain unchanged: pici, pappardelle, ribollita, tomato and bread soup, panzanella, Fiorentina steak etc ... Our agency is looking for partners interested in working for a commercial development of wine & food tourism in Tuscany.
