Description

Sa Marigosa is established in the 1986 as a Company of young farmers, today is the major Organization of farmers in Sardinia for Melon, water melon, and artichokes which is the most important product named "Carciofo Spinoso di Sardegna D.O.P.". In 2008 Sa Marigosa starts to develop and promoting their products outside the regional market and to the national market and to the Mass distribution. Capability, experience, the traceability of the products system, a low environmental impact farming system, are the strongest points of the company. Sa Marigosa uses an innovative farming process that preserves crops from the use of any chemical. Sa Marigosa's company is located in the Sinis Peninsula, between the famous Cabras's marsh and the Gulf of Oristano in the beautiful Sardinian Sea. With 1000 acres of land being cultivated by Sa Marigosa itself and by high qualified farmer partners, the company generates 5 mil. of revenue. From 2013 we produce vegetables in olive oil and vegetable creams.
